

**3rd Member Organization Ballot for 2008 Proposals to
the
2009 NEHRP Provisions
(January 21, 2009 – March 6, 2009)**

Note that, in accordance with the *Building Seismic Safety Council Charter, Organizational Rules, and Procedures* and the procedures adopted by the BSSC Board of Direction for the 2009 *Provisions* update project, this ballot provides four alternatives: “yes” (Y); “yes with reservations” (YR); “no” (N); and “not voting” (NV). "Yes with reservation" and "no" votes are to be accompanied by a statement providing the full and sufficient basis for the vote, and a "No" vote is to be accompanied by specific suggestions for change if those changes would change the negative to affirmative.
