

Appendix B

PARTICIPANTS IN THE BSSC 2003 *PROVISIONS* UPDATE PROGRAM

2001 BSSC BOARD OF DIRECTION

Chair

Charles Thornton, Ph.D., PE, The Thornton P Tomasetti Group, Inc., New York, New York

Vice Chair

S. K. Ghosh, Ph.D., S. K. Ghosh Associates, Inc., Northbrook, Illinois (representing the Portland Cement Association)

Secretary

Charles Carter, PE, American Institute of Steel Construction, Chicago, Illinois

Ex Officio

William W. Stewart, FAIA, Stewart-Schaberg Architects, Clayton, Missouri

Members

J. Gregg Borchelt, PE, Brick Institute of America, Reston, Virginia

Bradford K. Douglas, PE, American Forest and Paper Association, Washington, D.C.

Edwin Dean, PE, SE, Nishkian Dean, Portland, Oregon (representing the Applied Technology Council)

Henry Green, Bureau of Construction Codes, State of Michigan Department of Consumer and Industry Services, Okemos, Michigan (representing the National Institute of Building Sciences)

H. S. Lew, Ph.D., PE, National Institute of Standards and Technology, Gaithersburg, Maryland (representing the Interagency Committee for Seismic Safety in Construction)

Joseph Nicoletti, PE, URS/John A. Blume and Associates, San Francisco, California (representing the Earthquake Engineering Research Institute)

James Rinner, Turner Construction, Dixon, California (representing the Association General Contractors of America)

James Rossberg, PE, American Society of Civil Engineers, Reston, Virginia

Jeffrey Sciaudone, PE, Institute for Building and Home Safety, Tampa, Florida

W. Lee Shoemaker, Ph.D., Metal Building Manufacturers Association, Cleveland, Ohio

Howard Simpson, Sc.D., P.E., Simpson, Gumpertz and Heger, Arlington, Massachusetts (representing the National Council of Structural Engineers Associations)

Charles Spitz, NCARB, AIA, CSI, Architect/Planner Code Consultant, Wall, New Jersey (representing the American Institute of Architects)

David Wismer, PE, CBO, Department of Licenses and Inspections, Philadelphia, Pennsylvania (representing the Building Officials and Code Administrators International)

BSSC Staff

Claret M. Heider, NIBS Vice President, BSSC/MMC

Bernard F. Murphy, PE, Director, Special Projects

Carita Tanner, Editorial and Public Relations Manager

Patricia Blasi, Administrative Assistant

2002 BSSC BOARD OF DIRECTION

Chair

Charles Thornton, Ph.D., PE, The Thornton P Tomasetti Group, Inc., New York, New York

Vice Chair

S. K. Ghosh, Ph.D., S. K. Ghosh Associates, Inc., Northbrook, Illinois (representing the Portland Cement Association)

Secretary

Charles Carter, PE, American Institute of Steel Construction, Chicago, Illinois

Ex Officio

William W. Stewart, FAIA, Stewart-Schaberg Architects, Clayton, Missouri

Members

David R. Bonneville, PE, SE, Degenkolb Engineers, San Francisco (representing the EarthquakeEngineering Research Institute)

J. Gregg Borchelt, PE, Brick Institute of America, Reston, Virginia

Bradford K. Douglas, PE, American Forest and Paper Association, Washington, D.C.

Edwin Dean, PE, SE, Nishkian Dean, Portland, Oregon (representing the Applied Technology Council)

Henry Green, Bureau of Construction Codes, State of Michigan Department of Consumer and Industry Services, Okemos, Michigan (representing the National Institute of Building Sciences)

H. S. Lew, Ph.D., PE, National Institute of Standards and Technology, Gaithersburg, Maryland (representing the Interagency Committee for Seismic Safety in Construction)

James Rinner, Turner Construction, Dixon, California (representing the Associated General Contractors of America)

James Rossberg, PE, American Society of Civil Engineers, Reston, Virginia

Grover Lee Sawyer, Jr., PE, North Carolina Department of Insurance, Office of the State Fire Marshall, Raleigh (representing the International Code Council)

Jeffrey Sciaudone, PE, Institute for Building and Home Safety, Tampa, Florida

W. Lee Shoemaker, Ph.D., Metal Building Manufacturers Association, Cleveland, Ohio

Howard Simpson, Sc.D., P.E., Simpson, Gumpertz and Heger, Arlington, Massachusetts (representing the National Council of Structural Engineers Associations)

Charles Spitz, NCARB, AIA, CSI, Architect/Planner Code Consultant, Wall, New Jersey (representing the American Institute of Architects)

BSSC Staff

Claret M. Heider, NIBS Vice President, BSSC/MMC

Bernard Murphy, PE, Director, Special Projects

Carita Tanner, Communications and Public Relations Manager

Patricia Blasi, Administrative Assistant

2003 BSSC BOARD OF DIRECTION

Chairman

Charles Thornton, Chairman/Principal, Thornton-Tomasetti Group, Inc., New York, New York

Vice Chairman

David Bonneville, Degenkolb Engineers, San Francisco, California

Secretary

Charles Carter, Chief Structural Engineer, American Institute of Steel Construction, Chicago, Illinois

Ex-Officio

William W. Stewart, Stewart-Schaberg Architects, Clayton, Missouri (representing the American Institute of Architects)

Members

J. Gregg Borchelt, Vice President, Brick Industry Association, Reston, Virginia

Edwin Dean, Nishkian Dean, Portland, Oregon

Bradford K. Douglas, Director of Engineering, American Forest and Paper Association, Washington, D.C.

Henry Green, Executive Director, Bureau of Construction Codes and Fire Safety, State of Michigan, Department of Labor and Economic Growth, Lansing, Michigan (representing the National Institute of Building Sciences)

H.S. Lew, Senior Research Engineer, National Institute of Standards and Technology, Gaithersburg, Maryland (representing Interagency Committee on Seismic Safety in Construction)

Joseph Messersmith, Coordinating Manager, Regional Code Services, Portland Cement Association, Rockville, Virginia (representing the Portland Cement Association)

Jim Rinner, Project Manager II, Kitchell CEM, Sacramento, California

James Rossberg, Manager, Technical Activities for the Structural Engineering Institute, American Society of Civil Engineers, Reston Virginia

Jeffery Sciadone, Associate Director, of Engineering, Institute of Business and Home Safety, Tampa, Florida

W. Lee Shoemaker, Director, Engineering and Research, Metal Building Manufacturers Association, Cleveland, Ohio

Howard Simpson, Simpson Gumpertz and Heger, Arlington, Massachusetts (representing National Council of Structural Engineers Associations)

Charles A. Spitz, Architect/Planner/Code Consultant, Wall New Jersey (representing the American Institute of Architects)

BSSC STAFF

Claret M. Heider, Vice President for BSSC Programs

Bernard F. Murphy, Director, Special Projects

Carita Tanner, Communications/Public Relations Manager

Patricia Blasi, Administrative Assistant

2003 PROVISIONS UPDATE COMMITTEE

Chair

Ronald O. Hamburger, Simpson Gumpertz and Heger, San Francisco, California

Representing Technical Subcommittee 1, Design Mapping

C. B. Crouse, URS Corporation, Seattle, Washington

R. Joe Hunt, BWXT Y-12, LLC, Oak Ridge, Tennessee

E. V. Leyendecker, U.S. Geological Survey, Denver, Colorado

Representing Technical Subcommittee 2, Design Criteria and Analysis

John D. Hooper, Magnusson Klemencic, Seattle, Washington

James R. Harris, J. R. Harris and Company, Denver, Colorado

Charles Kircher, Charles Kircher and Associates Consulting Engineers, Palo Alto, California

Representing Technical Subcommittee 3, Foundations and Geotechnical Considerations

Maurice S. Power, Geomatrix Consultants, Oakland, California

Roger Borchardt, U.S. Geological Survey, Menlo Park, California

Representing Technical Subcommittee 4, Concrete Structures

Neil Hawkins, Professor Emeritus, University of Illinois, Clyde Hill, Washington

Joseph J. Messersmith, Regional Code Services, Portland Cement Association, Rockville, Virginia

Jack P. Moehle, Pacific Earthquake Engineering Research Center, Richmond, California

Representing Technical Subcommittee 5, Masonry Structures

Daniel Shapiro, SOHA Engineers, San Francisco, California

Daniel P. Abrams, MAE Center, University of Illinois, Urbana

Jason J. Thompson, National Concrete Masonry Association, Herndon, Virginia

Representing Technical Subcommittee 6, Steel Structures

James O. Malley, Degenkolb Engineers, San Francisco, California

Harry W. Martin, American Iron and Steel Institute, Auburn, California

C. Mark Saunders, Rutherford and Chekene, Oakland, California

Representing Technical Subcommittee 7, Wood Structures

Philip Line, American Forest and Paper Association, Washington, D.C.

James E. Russell, Building Code Consultant, Concord, California

Erol Karacabeyli, Forintek Canada Corporation, Vancouver, British Columbia, Canada

Representing Technical Subcommittee 8, Mechanical/Electrical Systems and Building Equipment and Architectural Elements

John D. Gillengerten, Office of Statewide Health and Planning and Development, Sacramento, California

Pat Lama, Mason Industries, Hauppauge, New York

John F. Silva, Hilti Incorporated, San Rafael, California

Representing Technical Subcommittee 9, Quality Assurance

Douglas M. Smits, Division of Building Inspections, City of Charleston, South Carolina

Jim W. Sealy, Jim W. Sealy/Architect/Consultant, Dallas, Texas

Representing Technical Subcommittee 10, Low Rise and Residential Structures

J. Daniel Dolan, Washington State University, Pullman, Washington

Representing Technical Subcommittee 11, Composite Steel and Concrete Structures

Roberto T. Leon, Georgia Institute of Technology, Atlanta, Georgia

Jerome Hajjar, University of Minnesota, Minneapolis, Minnesota

Representing Technical Subcommittee 12, Base Isolation and Energy Dissipation

Michael Constantinou, University at Buffalo, State University of New York, Buffalo

Martin Johnson, ABS Consulting, Irvine, California

Representing Technical Subcommittee 13, Nonbuilding Structures

Stephen W. Meier, Tank Industry Consultants, Indianapolis, Indiana

John T. Hutton, Uzun and Case Engineers, Atlanta, Georgia

Richard Drake, J.S. Dyer and Associates, Irvine, California

Gayle Johnson, Han-Padron Associates, Oakland, California

Harold Sprague, Structural Engineer, Black and Veatch, Overland Park, Kansas

At-Large Member

Ed Sutton, National Association of Home Builders, Washington, D.C.

Robert McCluer, International Code Council, Country Club Hills, Illinois

Bonnie Manley, National Fire and Protection Association, Quincy, Massachusetts

Dominic Kelly, Simpson Gumpetz and Heger, Waltham, Massachusetts

Robert E. Bachman, Consulting Structural Engineer, Westlake Village, California

Ex-officio Voting Member

William T. Holmes, Rutherford and Chekene, Oakland, California

PUC TECHNICAL SUBCOMMITTEES

Technical Subcommittee 1, DESIGN MAPPING

Chair

C.B. Crouse, URS Corporation, Seattle, Washington

Members

Roger Borcherdt, U.S. Geological Survey, Menlo Park, California

R. Joe Hunt, BWXT Y-12, LLC, Oak Ridge, Tennessee

Jeffrey K. Kimball, Engineering and Operations Support, U.S. Department of Energy, Germantown, Maryland

E.V. Leyendecker, U.S. Geological Survey, Denver, Colorado

Lance Manuel, University of Texas, Austin, Texas

Walter Silva, Pacific Engineering Analysis, El Cerrito, California

Paul G. Somerville, Woodward-Clyde Federal Services, Pasadena, California

Eugene L. Trahern, Coughlin Porter Lundeen, Seattle, Washington

Michael Valley, Magnusson Klemencic, Seattle, Washington

Corresponding Members

Nathan Gould, ABS Consulting, St Louis, Missouri

Richard McConnell, Consultant, Springfield, Virginia

Technical Subcommittee 2, DESIGN CRITERIA AND ANALYSIS

Chair

John D. Hooper, Magnusson Klemencic, Seattle, Washington

Members

Mark Ascheim, University of Illinois, Urban, Illinois

James R. Harris, J.R. Harris and Company, Denver, Colorado

Charles Kircher, Charles Kircher and Associates Consulting Engineers, Palo Alto, California

Richard J. Phillips, Martin and HBL, Los Angeles, California

Chia-Ming Uang, University of California, La Jolla, California

Corresponding Members

David Bonowitz, San Francisco, California

David Bonneville, Degenkolb Engineers, San Francisco, California

Finley Charney, Virginia Polytechnic Institute and State University, Blacksburg, Virginia

Gary Y.K. Chock, Martin and Chock, Honolulu, Hawaii
Anil K. Chopa, University of California, Berkeley, California
Mohammed M. Ettouney, Wedlinger Associates, New York, New York
Andrew Gayer, ABS Consulting, St. Louis, Missouri
S.K. Ghosh, S.K. Ghosh Associates, Palatine, Illinois
John D. Gilengerten, OSHPD, Facilities Development Division, Sacramento, California
Nathan Gould, ABS Consulting, St Louis, Missouri
Walter B. Grossman, Structural Consultant, Fairlawn, New Jersey
Ronald Hamburger, Simpson Gumpertz and Heger, San Francisco, California
Husein Hasan, Tennessee Valley Authority, Knoxville, Tennessee
William T. Holmes, Rutherford and Chekene Engineers, Oakland, California
John T. Hutton, Uzun and Case Engineers, Atlanta, Georgia
Marcelino Iglesias, Department of Community Development, Trenton, New Jersey
Robert I. Johnson, R.I. Johnson and Associates, Wheaton, Illinois
Leonard Joseph, Thornton-Tomasetti Engineers, New York, New York
Ghassem Khosrownia, U.S. Army Corps of Engineers, Sacramento, California
Uno Kula, Phoenix, Arizona
Philip Line, American Forest and Paper Association, Washington, D.C.
Joe Maffei, Rutherford and Chekene Consulting Engineers, Oakland, California
Scott E. Maxwell, Consulting Engineer, Ypsilanti, Michigan
Richard D. McConnell, Consultant, Springfield, Virginia
Vilas Mujumdar, National Science Foundation, Arlington, Virginia
Paul Murray, Structural Design Group, Nashville, Tennessee
Simin Naseeh, SEAoNC, San Francisco, California
Mark Pierepiekarz, MRP Engineering, Newcastle, Washington
David Pierson, ARW Engineers, Ogden, Utah
Andrei M. Reinhorn, State University of New York, Buffalo, New York
Frederick C. Schmitt, Consulting Civil Engineer, West Chester, Pennsylvania
Gary R. Searer, Wiss, Janney, Elstner Associates, Emeryville, California
John G. Shipp, EQE International, Irvine, California
Thomas, D. Skaggs, APA-The Engineered Wood Association, Tacoma, Washington
Itzhak Tepper, American Structural Engineers, Alexandria, Virginia
Jason Thompson, National Concrete Masonry Association, Herndon, Virginia
Fred M. Turner, Seismic Safety Commission, Sacramento, California

Michael Valley, Magnusson Klemencic, Seattle, Washington

Ed Wang, CH2M Hill, St. Louis, Missouri

Tom C. Xia, DCI Engineers, Bellevue, Washington

Howard Zee, ARUP, San Francisco, California

Technical Subcommittee 3, FOUNDATIONS AND GEOTECHNICAL CONSIDERATIONS

Chair

Maurice S. Power, Geomatrix Consultants, San Francisco, California

Members

Donald G. Anderson, CH2M Hill, Bellevue, Washington

David Bonowitz, Consultant, San Francisco, California

Roger D. Borchardt, U.S. Geological Survey, Menlo Park, California

Craig Comartin, Comartin-Reis, Stockton, California

Ricardo Dobry, Rensselaer Polytechnic Institute, Troy, New York

Tom H. Hale, California Office of Statewide Health Planning and Development, Sacramento, California

Jeffrey R. Keaton, AMEC Earth and Environmental, Anaheim, California

Geoffrey R. Martin, University of Southern California, Los Angeles, California

Farhang Ostadan, Bechtel Corporation, San Francisco, California

Edward E. Rinne, Kleinfelder, Oakland, California

Jonathan P. Stewart, University of California, Los Angeles

Corresponding Members

Susan W. Chang, Shannon & Wilson, Seattle, Washington

Paul L. Cloke, Science Applications International Corporation, Las Vegas, Nevada

C.B. Crouse, URS Corporation, Seattle, Washington

Husein Hasan, Tennessee Valley Authority, Knoxville, Tennessee

Neil M. Hawkins, University of Illinois, Urbana

Klaus H. Jacob, Lamont Doherty Earth Observatory of Columbia University, Palisades, New York

Dominic Kelly, Simpson Gumpertz & Heger, Waltham, Massachusetts

Jeffrey K. Kimball, U.S. Department of Energy, Germantown, Maryland

Cetin Soydemir, Geotechnical Services, Goffstown, New Hampshire

Steven A. Wendland, GeoSystems Engineering, Lenexa, Kansas

Tom C. Xia, DCI Engineers, Bellevue, Washington

T. Leslie Youd, Brigham Young University, Provo, Utah

Technical Subcommittee 4, CONCRETE STRUCTURES

Chair

Neil M. Hawkins, University of Illinois, Urbana

Members:

David E. Arndt, KPFF Consulting Engineers, Seattle, Washington

Ned M. Cleland, Blue Ridge Design, Winchester, Virginia

W. Gene Corley, Construction Technology Laboratories, Skokie, Illinois

S. K. Ghosh, S.K. Ghosh Associates, Northbrook, Illinois

David P. Gustafson, Concrete Reinforcing Steel Institute, Schaumburg, Illinois

Marcelino Iglesias, Department of Community Development, Trenton, New Jersey

H. S. Lew, National Institute of Standards and Technology, Gaithersburg, Maryland

Rene W. Luft, Simpson Gumpertz & Heger, San Francisco, California

Joe Maffei, Rutherford & Chekene Consulting Engineers, Oakland, California

Joseph J. Messersmith, Jr., Portland Cement Association, Rockville, Virginia

Jack P. Moehle, Pacific Earthquake Engineering Research Center, Richmond, California

Richard Wollmershauser, Hilti, Tulsa, Oklahoma

Sharon L. Wood, University of Texas, Austin

Corresponding Members:

Leo Argiris, Arup & Partners, New York, New York

Nathan Gould, ABS Consulting, St. Louis, Missouri

Mervyn Kowalsky, North Carolina State University, Raleigh, North Carolina

Scott E. Maxwell, Consulting Engineer, Ypsilanti, Michigan

Antonio Nanni, University of Missouri, Rolla, Missouri

John F. Silva, Hilti, San Rafael, California

Scott Tinker, EQE International, Seattle, Washington

Tom C. Xia, DCI Engineers, Bellvue, Washington

Technical Subcommittee 5, MASONRY STRUCTURES

Chair

Daniel Shapiro, SOH and Associates, Structural Engineers, San Francisco, California

Members

Daniel P. Abrams, University of Illinois MAE Center, Urbana

Randall P. Bernhardt, Burns & McDonnell, St. Louis, Missouri

J. Gregg Borchelt, Brick Industry Association, Reston, Virginia

Robert Chittendon, DSA, Granite Bay, California

Richard E. Klingner, University of Texas, Austin

Vilas Mujumdar, National Science Foundation, Arlington, Virginia

Max L. Porter, Department of Civil Engineering, Iowa State University, Ames

James R. Tauby, Mason Industries, Smithtown, New York

Jason J. Thompson, National Concrete Masonry Association, Herndon, Virginia

Terence A. Weigel, Department of Civil Engineering, University of Louisville, Kentucky

Corresponding Members

Dean D. Brown, Interstate Brick Company, West Jordan, Utah

Thomas A. Gangel, Wallace Engineering Structural Consultants, Tulsa, Oklahoma

S.K. Ghosh, S.K. Ghosh Associates, Palatine, Illinois

Marcelino Iglesias, Department of Community Development, Trenton, New Jersey

Eric N. Johnson, Brick Association of the Carolinas, Charlotte, North Carolina

Dilip Khatri, Khatri International, Pasadena, California

Laura Larson, Durant, Au Clair, Wisconsin

Scott Maxwell, Consulting Engineer, Ypsilanti, Michigan

Richard Silva, National Park Service, Lakewood, Colorado

Simin Naseeh, Structural Engineers Association of Northern California, San Francisco, California

Arturo E. Schultz, University of Minnesota, Minneapolis

John Tawresey, KPFF Consulting Engineers, Seattle, Washington

Diane Throop, Consultant, Cincinnati, Ohio

Technical Subcommittee 6, STEEL STRUCTURES

Chair

James O. Malley, Degenkolb Engineers, San Francisco, California

Members

Michel Bruneau, MCEER, State University of New York, Buffalo

Richard M. Drake, J.S. Dyer & Associates, Irvine, California

Harry W. Martin, American Iron and Steel Institute, Auburn, California

Clarkson W. Pinkham, S. B. Barnes Associates, Los Angeles, California

C. Mark Saunders, Rutherford and Chekene, San Francisco, California

W. Lee Shoemaker, Metal Building Manufacturers Association, Cleveland, Ohio

Bozidar Stojadinovic, University of California, Berkeley

Kurt D. Swensson, KSI Structural Engineers, Atlanta, Georgia

Chia-Ming Uang, University of California

Corresponding Members:

Leo Argiris, Arup & Partners, New York, New York

Hassan Astaneh, University of California at Berkeley

Michael Cochran, Brian L. Cochran Associates, Los Angeles, California

Andrew Gayer, ABS Consulting, St. Louis, Missouri

Subhash C. Goel, University of Michigan, Ann Arbor

Nathan Gould, ABS Consulting, St. Louis, Missouri

John L. Gross, National Institute of Standards and Technology, Gaithersburg, Maryland

Y. Henry Huang, Los Angeles County Department of Public Works, Alhambra, California

Marcelino Iglesias, Department of Community Development, Trenton, New Jersey

Ghassem Khosrownia, U.S. Army Corps of Engineers, Sacramento, California

Cynthia Duncan, AISC, Chicago, Illinois

Terry R. Lundeen, Coughlin Porter Lundeen, Seattle, Washington

Robert T. Lyons, Brandow & Johnston Associates, Los Angeles, California

Paul C. Perrin, Burgess & Niple, Ltd., Cincinnati, Ohio

David L. Pierson, ARW Engineers, Ogden, Utah

Steven M. Thomas, Butler Construction, Kansas City, Missouri

James R. Thomas, Delich, Roth & Goodwillie, P.A., Kansas City, Missouri

Tom C. Xia, DCI Engineers, Bellvue, Washington

Technical Subcommittee 7, WOOD STRUCTURES

Chair

Philip Line, American Forest and Paper Association, Washington, D.C.

Members

Kelly Cobeen, Cobeen & Associates Structural Engineering, Lafayette, California

Vladimir Kochkin, National Association of Home Builders Research Center, Upper Marlboro, Maryland

J. Daniel Dolan, Washington State University, Pullman, Washington

Erol Karacabeyli, Forintek Canada Corporation, Vancouver, British Columbia, Canada

James A. Mahaney, Wiss, Janney, Elstner Associates, Emeryville, California

Frank K. H. Park, Guilford County Planning and Development, Greensboro, North Carolina

Steven E. Pryor, Simpson Strong-Tie, Dublin, California

James E. Russell, Consultant, Concord, California

Thomas D. Skaggs, APA - The Engineered Wood Association, Tacoma, Washington

Chuck Williams, CWA Consultants, Sammamish, Washington

Corresponding Members

Philip R. Brazil, Reid Middleton, Everett, Washington

Kevin C. K. Cheung, Western Wood Products Association, Portland, Oregon

John M. Coil, Thornton-Tomasetti, Cole & Walsh, Tustin, California

Jay Crandell, Applied Residential Engineering Associates, West River, Maryland

Thomas M. Corcoran, Carter-Burgess, Kirkland, Washington

Andre Filiatrault, University of California, San Diego

Robert S. George, Architect, San Bruno, California

Greg Gilda, EQE International, Seattle, Washington

Robert W. Glowinski, American Forest and Paper Association, Washington, DC

Zeno Martin, APA- The Engineered Wood Association, Tacoma, Washington

Gary L. Mochizuki, Structural Solutions, Walnut Creek, California

Rawn Nelson, R.F. Nelson and Associates, Hermosa Beach, California

Douglas Rammer, USDA Forest Products Laboratory, Madison, Wisconsin

Mike Rhodebeck, USP Lumber Connectors, Gambier, Ohio

Alan Robinson, Tuan and Robinson Structural Engineers, San Francisco, California

David V. Rosowsky, Oregon State University, Corvallis, Oregon

Stephen P. Schneider, Kramer-Gehlen and Associates, Vancouver, Washington

Douglas M. Smith, City of Charleston, South Carolina

Victor L. Taugher, Taugher and Associates, Castro Valley, California

David P. Tyree, American Forest and Paper Association, Colorado Springs, Colorado

Dennis S. Wish, Professional Engineer, La Quinta, California

Edwin G. Zacher, H.J. Brunnier and Associates, San Francisco, California

**Technical Subcommittee 8, MECHANICAL/ELECTRICAL SYSTEMS AND BUILDING
EQUIPMENT AND ARCHITECTURAL ELEMENTS**

Chair

John D. Gillengerten, Office of Statewide Health Planning and Development, Sacramento, California

Members

George Antaki, WSRC – Savannah Site, Aiken, South Carolina

Robert E. Bachman, Consulting Structural Engineer, Sacramento, California

Richard A. Behr, Pennsylvania State University, University Park, Pennsylvania

Russell Fleming, National Fire Sprinkler Association, Patterson, New York

Ronald W. Haupt, Pressure Piping Engineering Associates, Foster City, California

Y. Henry Huang, Los Angeles County Department of Public Works, Alhambra, California

Pat Lama, Mason Industries, Hauppauge, New York

John V. Loscheider, Loscheider Engineering Company, Renton, Washington

David A. Sheppard, Consulting Structural Engineer, Sonoma, California

John F. Silva, Hilti, San Rafael, California

William W. Stewart, Stewart-Schaberg/Architects, Clayton, Missouri

Corresponding Members

Leo Argiris, Arup & Partners, New York, New York

Victor D. Azzi, Rack Manufacturers Institute, Rye, New Hampshire

Antonio Braga, FM Global, Woodland Hills, California

James A. Carlson, Fort Calhoun Station, Fort Calhoun, Nebraska

Paul J. Carrafa, Property Maintenance Specialists, Willingboro, New Jersey

Christian Dubay, National Fire Protection Association, Quincy, Massachusetts

Mohammed M. Ettouney, Weidlinger Associates, New York, New York

Joseph R. Hetzel, Door & Access Systems Manufacturers, Cleveland, Ohio

John T. Hutton, Lockwood Greene Engineers, Atlanta, Georgia

Marcelino Iglesias, Department of Community Development, Trenton, New Jersey

Brian Kehoe, Consultant, Emeryville, California

Paul Meisel, Kinetics Noise Control, Dublin, Ohio

Antonio Nanni, University of Missouri, Rolla

Richard J. Phillips, Martin & HBL, Los Angeles, California

Mark R. Pierepiekarz, MRP Engineering, Newcastle, Washington

John "Jack" Prosek, Turner Construction Company, San Jose, California

Robert Simmons, Amber/Booth, Houston, Texas

Jean Smith, Schindler Elevator Corporation, Morristown, New Jersey

William Staehlin, Division of State Architect, Sacramento, California

Victoria Valentine, National Fire Sprinkler Association, Patterson, New York

Michael E. Werner, County of St. Louis, Missouri

Richard Wollmershauser, Hilti, Tulsa, Oklahoma

Maryann Phipps, ESTRUCTURE, El Cerrito, California

Technical Subcommittee 9, QUALITY ASSURANCE

Chair

Douglas M. Smits, City of Charleston, South Carolina

Members

Mark Kluver, Portland Cement Association, San Ramon, California

John Loscheider, Loscheider Engineering Company, Renton, Washington

Jim W. Sealy, Jim W. Sealy/Architect/Consultant, Dallas, Texas

Charles A. Spitz, Architect/Planner/Code Consultant, Wall, New Jersey

Corresponding Members

Michael Constantinou, State University of New York, Buffalo

Neil Hawkins, Consultant, Clyde Hill, Washington

Roberto T. Leon, Georgia Institute of Technology, Atlanta, Georgia

Philip Line, American Forest and Paper Association, Washington, DC

James O. Malley, Degenkolb Engineers, San Francisco, California

R. William McNealy, McNealy-Burnberry Engineering, St. Louis, Missouri

Vilas Mujumdar, National Science Foundation, Arlington, Virginia

Daniel Shapiro, SOHA Engineers, San Francisco, California

Ed Sutton, National Association of Home Builders, Washington, DC

James R. Thomas, Delich, Roth and Goodwillie, P.A., Kansas City, Missouri

Fred M. Turner, California Seismic Safety Commission, Sacramento, California

Technical Subcommittee 10, RESIDENTIAL AND LOW RISE STRUCTURES

Chair

J. Daniel Dolan, Washington State University, Pullman, Washington

Members

Mark Caldwell, Apex Engineering, Calvert City, Kentucky

Chip Clark, Brick Industry Association, Reston, Virginia

James R. Harris, J.R. Harris & Company, Denver, Colorado

Eric N. Johnson, Brick Association of the Carolinas, Charlotte, North Carolina

Joseph J. Messersmith, Portland Cement Association, Rockville, Virginia

Jim W. Sealy, Architect, Dallas, Texas

Lee Shoemaker, Metal Building Manufacturers Association, Cleveland, Ohio

David P. Tyree, American Forest and Paper Association, Colorado Springs, Colorado

Terence A. Weigel, University of Louisville, Kentucky

Robert J. Wills, American Iron & Steel Institute, Birmingham, Alabama

Sharon, L. Wood, University of Texas, Austin

Corresponding Members

S.K. Ghosh, S.K. Ghosh Associates, Palatine, Illinois

Wassem Khan, Brick Industry Association, Reston, Virginia

Ed Sutton, National Association of Home Builders, Washington, DC

Technical Subcommittee 11, COMPOSITE STEEL AND CONCRETE STRUCTURES

Chair

Roberto T. Leon, School of Civil and Environmental Engineering, Georgia Institute of Technology, Atlanta

Members

Jerome F. Hajjar, University of Minnesota, Minneapolis

Kevin LeSmith, Magnusson Klemencic, Seattle, Washington

Clarkson W. Pinkham, S. B. Barnes Associates, Los Angeles, California

Bahram M. Sharooz, University of Cincinnati, Ohio

Kurt D. Swensson, KSI Structural Engineers, Atlanta, Georgia

Corresponding Members

Scott A. Civjan, University of Massachusetts, Amherst

Greg Deierlein, Stanford University, Palo Alto, California

Subhash Goel, University of Michigan, Ann Arbor

Larry Griffis, Walter P. Moore and Associates, Austin, Texas

Neil Hawkins, Consultant, Clyde Hill, Washington

Technical Subcommittee 12, BASE ISOLATION AND ENERGY DISSIPATION

Chair

Michael Constantinou, Department of Civil, Structural and Environmental Engineering, University at Buffalo, State University of New York, Buffalo, New York

Members

Tom H. Hale, Office of Statewide Health Planning and Development, Sacramento, California

Robert D. Hanson, Federal Emergency Management Agency, Pasadena, California

Saif Hussain, SHA Coffman Engineers, Encino, California

Martin W. Johnson, ABS Consulting, Irvine, California

Charles Kircher, Charles Kircher & Associates Consulting Engineers, Palo Alto, California

Kit Miyamoto, Marr Chatter & Miyamoto, West Sacramento, California

Andrew Whittaker, Department of Civil, Structural and Environmental Engineering, University at Buffalo, State University of New York, Buffalo, New York

Corresponding Members

Ian Aiken, Seismic Isolation Engineering, Piedmont, California

Amarnath Kasalanati, DIS, Inc., Lafayette, California

Wenshen Pong, San Francisco State University, California

Mark Sinclair, Degenkolb Engineers, San Francisco, California

John Stewart, Rimkus Consulting Group, Atlanta, Georgia

Andrew W. Taylor, KPFF Consulting Engineers, Seattle, Washington

Jack Wiggins, EQE International, Seattle, Washington

Technical Subcommittee 13, NONBUILDING STRUCTURES

Chair

Stephen W. Meier, Tank Industry Consultants, Indianapolis, Indiana

Members

Wafic T. Ayoub, Specialized Engineering Services, Overland Park, Kansas

Robert E. Bachman, Consulting Structural Engineer, Sacramento, California

Richard M Drake, J.S. Dyer & Associates, Irvine, California

Robert M. Ebeling, U.S. Army Engineer Research and Development Center, Vicksburg, Mississippi

Martin L. Eskijian, California State Land Commission, Long Beach, California

Douglas G. Honegger, D.G. Honegger Consulting, Arroyo Grande, California

John T. Hutton, Uzun & Case Engineers, Atlanta, Georgia

Gayle S. Johnson, Han-Padron Associates, Oakland, California

Leon Kempner, Jr., Bonneville Power Administration, Vancouver, Washington

Nicholas A. Legatos, Preload, Hauppauge, New York

Theodore, C. Lemoff, National Fire Protection Association International, Quincy, Massachusetts

Denis Radecki, Hamon Custodis, Brazil, Indiana

Carl Rivkin, National Fire Protection Association International, Quincy, Massachusetts

Harold Sprague, Black and Veatch Special Projects Corporation, Overland Park, Kansas

Corresponding Members

David K. Adams, Lane Engineers, Tulare, California

Scott Ashford, University of California, San Diego

Victor D. Azzi, Rack Manufacturers Institute, Rye, New Hampshire

Pete Carrato, Bechtel Corporation, Frederick, Maryland

Thomas Dahlgren, Ben E. Gerwick, San Francisco, California

John Ferrito, Consultant, Ventura, California

Henry Fong, Port of Long Beach, California

Donita K. Fredricks, Chicago Bridge and Iron, Clive, Iowa

Charles S. Hanskat, Hanskat and Associates, San Diego, California

Husein Hasan, Tennessee Valley Authority, Knoxville, Tennessee

Frank J. Hsiu, Chevron Texaco Research and Technology Company, Richmond, California

Jagadish Joshi, Westinghouse, Georgia

John V. Loscheider, Loscheider Engineering Company, Renton, Washington

Praveen K. Malhotra, Factory Mutual Research, Norwood, Massachusetts

Sanj Malhuste, Bechtel Corporation, Frederick, Maryland

Robert J. Masterson, RJM Associates, Fall River, Massachusetts

Anil Misra, University of Missouri, Kansas City

Douglas J. Nyman, D.J. Nyman & Associates, Houston, Texas

Rolf Pawski, Landmark Structures, Wheaton, Illinois

Bob Porthouse, Chimney Consultants, West Lebanon, New Hampshire

Anshel J. Schiff, Stanford University, Stanford, California

Jerry Serventi, Port of Oakland, California

John D. Stevenson, Stevenson & Associates, Cleveland, Ohio

Harry E. Stewart, Cornell University, Ithaca, New York

Warren Stewart, Han-Padron Associates, Long Beach, California

Eric K. Thorkildsen, Collins Engineering, East Greenbush, New York

Stuart D. Werner, Seismic Systems & Engineering Consultants, Oakland, California

Peter Yin, Port of Los Angeles, San Pedro, California

BSSC SIMPLIFIED DESIGN TASK GROUP

Chair

William T. Holmes, Rutherford & Chekene, Oakland, California

Members

Gary Y.K. Chock, Martin and Chock, Honolulu, Hawaii

Ronald O. Hamburger, Simpson Gumpertz and Heger, San Francisco, California

James R. Harris, J.R. Harris & Company, Denver, Colorado

John D. Hooper, Magnusson Klemencic, Seattle, Washington

Richard J. Phillips, Martin & HBL, Los Angeles, California

**REPRESENTATIVES OF BSSC MEMBER ORGANIZATIONS
AND THEIR ALTERNATES**

AFL-CIO Building and Construction Trades Department

Representative Pete Stafford, Center to Protect Workers' Rights, Washington, D.C.

Alternate None on Record

American Concrete Institute

Representative Shuaib H. Ahmed, American Concrete Institute, Farmington Hills, Michigan

Alternate None on Record

American Consulting Engineers Council

Representative Gregg E. Brandow, Brandow and Johnston Associates, Los Angeles, California

Alternate Edward Bajer, American Council of Engineering Companies, Washington, D.C.

American Forest and Paper Association

Representative David P. Tyree, American Forest and Paper Association, Colorado Springs, Colorado

Alternate Bradford K. Douglas, American Forest and Paper Association, Washington, D.C.

American Institute of Architects

Representative Charles A. Spitz, Architect/Planner/Code Consultant, Wall, New Jersey

Alternate Perry A. Haviland, Haviland Associates Architects, Oakland, California

American Institute of Steel Construction

Representative Charles J. Carter, American Institute of Steel Construction, Chicago, Illinois

Alternate Louis F. Geschwinder, American Institute of Steel Construction, Chicago, Illinois

American Iron and Steel Institute

Representative Harry W. Martin, American Iron and Steel Institute, Auburn, California

Alternate None on Record

American Society of Civil Engineers

Representative James A. Rossberg, American Society of Civil Engineers, Reston, Virginia
