SPONSORSHIP PROSPECTUS

RESILIENCE WEBINAR SERIES

Why Sponsor NIBS' Monthly Webinar Series:

NIBS' monthly webinar series will address how a year of unique challenges can ultimately build resilience in our communities, our infrastructure and the places we live, work, learn and play. Topics covered will include:

- Post-COVID-19 environments
- Natural disaster mitigation
- Diversity and Inclusion in the built environment
- Social equity
- Technical roundtables

NIBS is looking for companies who want to join the discussion on resilience, showcase your organization's solutions, products and services in the face of natural disasters, post-COVID -19 environments, diversity and inclusion in the built environment and more.
